Your feet to the unreached

STOKING THE FIRE

“For so hath the Lord commanded us, saying, I have set thee to be a light of the Gentiles, that thou shouldest be for salvation unto the ends of the earth.” -Acts 13:47

WHAT’S NEW...

- ❖ God has been gracious to us; we are currently over **70%** of our actual monthly support! (Not pledged).
- ❖ Check out our website! Our Video for Seth’s Mission Trip and a brief bio-video can be found on our site.
- ❖ **Pray** we can raise 7% more support by mid-January to get to our *minimum* required support, in just 7 weeks.
- ❖ There is a tremendous need overseas for tribal missions, many tribes are still **asking** for missionaries... **Pray!**
- ❖ We have now been in well over 95 beds, 19 states, (several countries ☺), and our car now has over 203K. We will not even count Seth’s trip overseas.
- ❖ **Pray** we can raise the remainder of our support by January, and **MOST** importantly get our paperwork done.

Receiving our medical training certificates.

Tying up loose ends.

We have been bombarded with things to do; with deadlines and dates, and to keep track of time (zones). There was a period of time in our last tour where we had to go back and forth across a time zone 3 or 4 times in just a couple of days, so needless to say we were early (better than being late). We *loved* our Medical training; it was an invaluable tool that we picked up. We were also able to make some new contacts, raise our support and continue to raise awareness of missions and the need to engage unreached people groups. We felt blessed to re-connect with many friends and churches, and to see what God is doing in and through their lives. At the end of the day we are a little tired, but we are completely satisfied with our Lord and the path He took us on.

We are encroaching the 75% marker for our support, which is a great encouragement. We only have 7 weeks to go until we leave, please continue to pray for us in the realm of support raising. This is a total blessing, our home church Sunday school bought us our plane tickets, also Mansfield Baptist, Fellowship Baptist, and Bethel Community church gave us love offerings which are more than enough to buy the 2 Honda generators that we will need to take with us when we go overseas.

Please stay connected with us, we Blog often, and Lord willing we will be able to post video Blogs as well. We try to stay current, so if you are not getting our updates frequently, that means you are NOT subscribed. Go to our website and follow us on our journey.

PRAYER: Praise-God has provided more than 68% of our monthly support! Pray-that our paperwork can get in on time so we can finish the visa process. Pray-We can raise our support in time before we need to leave. Pray-For more laborers to go to these tribes who are *asking* for the Gospel. Thank you for praying!

for the glory of His name, Seth & Nicole Stokes
