Merry Christmas & Happy New Year!

WHAT'S NEW...

❖ **Please read** our blog on December 22nd, to see how you can give to our ministry through Central Mission Clearinghouse or go to www.cmcmissions.org and find Seth Stokes to give to our account. CMC will be handling our finances henceforth.

❖ We have visited almost all of our supporters in a little over a month, we still have some Pennsylvania supporters to visit.

❖ We head back to Vanuatu in about three months, we still have lots of work to do visiting supporters and speaking, along with paperwork and preparing for our house-build.

❖ **Praise God:** We are getting emails from Vanuatu about opportunities to host conferences and do various works, we can not wait to get back!

❖ **Praise God:** God kept us safe in all of our travels these past two months, we had no airplane issues coming back, and the car kept going as we drove over 10,000 miles.

❖ **Praise God:** God has moved in the hearts of our support team and has grown our support base even more. We have an amazing team behind us! Thank **you** all!

10,000 Miles in a Month

Well we did it, we saw most of our supporting churches and friends in about a month. We primarily have some local Pennsylvania churches and individuals to visit by the end of this month. It was quite the trip, seeing people we have not seen for almost two years, driving through the night 5 times, but we made it! It was such a blessing to see everyone! We finished it off by going to Tennessee and seeing our newest nephew and spending the holidays with family.

We are super encouraged! Each place we went to was very encouraging! Honestly it was tiring having 1-4 meetings a day, and sometimes in multiple states. We were received with everyone telling us how much they are behind us, that they have been following our journey each step of the way, and they are grateful we write so much. Honestly this was one of our many prayers to confirm our transition, that everyone would be encouraged, and to God's glory and grace we believe every single church and individual is still partnering with us even though we made two major transitions, we have even gained a few supporters in the transition. Truly an answer to prayer!

Getting ready to go back: As we gear up to head back, we still need finish up some paperwork for various things. We are also making aware of our needs list, it is a pretty big set-up cost with; a vehicle, house, solar system, and shipping, but by God's grace we have **20%** of the cost already with 5 or more churches telling us they are prayerfully deciding on how to give towards our needs. If you have any questions regarding that, please contact us.

Our time is going quickly, we are getting geared up for some opportunities to share at special emphasis days at churches, and then April will be here before you know it! We are excited to be your feet and serve the Tiale people. We have been waiting for 10 years for this opportunity, God has asked us to trust Him each step of the way, and now He has fulfilled the desire in our hearts to serve Him.
