Reaching Vanuatu
Church planting & Bible translation

"The Lord is my Shepherd; I shall not want".
-Psalms 23:1

Speaking at a Public School (where Seth's Mom works) & Ladies Conference

WHAT'S NEW...

❖ We want to say **thank-you** first and foremost! So many of you gave so much towards all of our registries, we are humbled by your love that you lavished upon us!

❖ We are getting ready to pack up our container and ship it out. It looks like everything is lining up in time, which is totally by God's grace.

❖ We head back to Vanuatu in about one month! We still have some work to do; visiting supporters and speaking, along with paperwork and preparing for our house-build, most things are "in-process". **Pray** we have no unexpected hang ups.

❖ **Praise God:** God has kept us safe in all of our travels, and has kept us healthy in the midst of the flu season.

❖ **Praise God:** God has raised about **50%** of our needs list, we know our God is Sovereign and will take care of all of our needs.

❖ **Praise God:** God has moved in the hearts of our support team and has grown our support base even more, as well as showered us with many gifts. We have an amazing team behind us! Thank **you** all!

Prayer Requests:

- **Pray:** That we complete our needed tasks.
- **Pray:** That our needs list gets taken care of before we head back to Vanuatu.
- **Pray:** That we get some rest so we can get back to Vanuatu and serve with 100%.

One Month To Go!

Wow! One month to go?! Where has the time gone? With traveling well over 20,000 miles, speaking multiple times a week, visiting friends and family, making the transition with all of our paperwork, visas, insurances, filling the container, and getting things ready for our house build and move full time in the bush, life seems to pass by quickly... days are fast, and weeks are even faster.

Insurances and Paperwork: As of right now, all of our paperwork, visas, insurances, etc., are all underway, we are being told everything is good and is being processed, we will see how it goes.

Container and Shipping: We make our first trip next week to start organizing everything for our container, and then (as of now), Friday, April 21st the container will get "packed-up" and shipped out! We will feel so relieved after that is all done.

Still Speaking: We still preach and share every week, with a trip to New York next week and then one to Baltimore, Maryland the following week. Nicole just spoke at a ladies conference at our home church and speaks next week as well at a ladies tea. We are also getting geared up for speaking on our last Sunday at our home church. Seth will preach that final Sunday night and give a charge to the church and then we will have some fellowship afterward.

Prayer and Preparation: We are wanting that heart like Moses, not wanting to move unless we know God is with us and He will stay with us through our journey. As these last weeks come to a close, we greatly covet your prayers as paperwork comes through, for everything to go smoothly with the container, and we find rest before we go back to Vanuatu. To be honest we have been "on the go" non-stop while being Stateside, we would appreciate that the rest we do get, gets multiplied unto us. Thank you for holding our rope and lifting us up in prayer, we are only able to do what we can through God's grace and your faithfulness in your prayers for us. **WE LOVE YOU ALL!**
