PRAYER REQUESTS:

- Pray: For the next generation of Tiale leaders as they lead the Bible School.
- Pray: For the Bible School students as they take this last semester seriously.
- Pray: For our three core families as they lead their homes, churches and communities to follow God.
- Pray: For wisdom and strength for Seth as he will be gone for over a month, traveling, peaching, and teaching over a 100 lessons.
- Pray: For Nicole and Selah as they will remain in the USA and that they would have no issues in Seth's absence.

Bible School:

The Bible School is progressing! The three teachers are utilizing all of the lessons that Seth wrote and are teaching the students faithfully. We are thankful for a few missionaries on the field who have been helping with correspondence, logistics, and up keep of the Bible School. It is an exciting time in the history of the Bible School, by the end of this month, for the first-time in the history of the country, there will be a group of people who have been taught every verse of the epistles, in a language that they know! The teachers themselves are relishing in the teachings first, and then sharing the lessons with joy.

Ministries:

The ministries are all growing in many ways. The Tiale people just hosted a youth conference for the first time after hearing all the new teachings, and over 50+ youths came from all over. Many came to a saving knowledge of Christ, some rededicating their lives knowing that they were living in either sin, or slaves to their animism. Many were baptized, and now the Tiale people are already organizing another conference! They want to reach out to other language groups as well!

Healing:

Nicole has made a full-recovery! It was a long and arduous journey, spanning almost four months, but we are thankful to God for; healing her (again), wisdom with how to work with the team of doctors, delaying Seth's trip in order for him to be here for both Nicole and Selah, for Seth's parents who have been a blessing beyond words, and of course the army of prayer warriors lifting us up during this time. Nicole is still getting into the "groove" of being a mom, and now recovering in other ways, but we are gearing up to head back to our Tiale-home sometime early next year.

Speaking of heading back...

Seth heads back shortly and will be gone for over a month. There has been several logistical issues trying to figure the "how and when", with even during this time finding out one of the planes he took on his last trip crashed, and killed a passenger. Needless to say, Seth will not be using that route this time around. Seth will be going back to; check up on the ministry, conduct our first graduation for the Bible School, and teach over 100 NEW lessons, which of course Seth wrote. It will be a busy time of ministry, packing a lot in during that month. Being away from Nicole & Selah for such an extended time will be very hard on him. We would appreciate your prayer for all of those areas!

As always, Your feet to the Tiale people & the country of Vanuatu,
Seth, Nicole, & Selah Stokes
