

Opportunities for the Pastors in Training

**Titus 1:5** "... that thou shoddiest set in order the things that are wanting..."

## WHAT'S NEW...

❖ **Praise:** Teachers are being developed! The 3 pastors-in-training are being given plenty of opportunities to serve.

❖ **Praise:** We continue to see the Tiale people and the Bible School being used by God to reach Vanuatu.

❖ **Praise:** the Tiale people are planning to do 2 strategic outreaches later this year.

❖ **Update:** We are currently *around* 93% supported. Please let us know if you are aware of an opportunity for us to share about our ministry at a new church. Seth will be available to share after November.

❖ **Update:** We have been blessed with a sturdy house and God's grace, but a few costs such as; inverter, paint and some new equipment accrued. If you would like to assist please contact us.

## PRAYER REQUESTS:

- ❖ **Pray:** For the three pastors-in-training as God is giving them opportunities.
- ❖ **Pray:** For the next generation of Bible School students.
- ❖ **Pray:** For the Tiale leaders and their families as they continue to look more like Christ in their lives.
- ❖ **Pray:** For wisdom; how to assist in the "incident" in Tiale land
- ❖ **Pray:** For wisdom; as we cultivate a love for Jesus in Selah.
- ❖ **Pray:** For new church partners in USA.

## So Much to Praise God for (highs)!

God is always so gracious to us and the Tiale people in that, He continues to provide avenues to bless the ministries. There are a series of highs that have occurred this past month:

- The teachers are **leading** the Bible School faithfully.
- New teachers are being **developed**.
- A local Tiale church **orchestrated** a marriage conference.
- The Bible School students are **growing** in their walks with the Lord.
- The local churches are **growing**.

God is revealing His plan thru the "low" and making it become a "high". In this past month God used an *incident* with a local pastor to expedite the two men who are pastors-in-training to step into the role of "pastoring" sooner than "our plan", God always has His own timing: These are the two of the local men whom we have been discipling for years, that God is leading to be both pastors of a local church and also teachers at the Bible School.

A local church has a pastor who is no longer able to look after his church, thus giving an opportunity to fill in the role and begin teaching through Firm Foundations (Course 1) with the congregation. At the same time, they are integrated as one of the teachers in a marriage conference at another local Tiale church (hosted by a separate local pastor). This is the third church where the marriage teachings have been taught.

The third pastor-in-training is working at another church, and he is currently teaching through the Firm Foundations (Course 1) for the first time to that church, and is seeing great results! God is using all of these lessons across the country already!

## Please Pray (lows):

As always, ministries have both highs and lows. We recently had an *incident* an individual in leadership in Tiale land, and we are prayerfully trying to navigate the process to best help him, his family, and the local believers that are affected.

## Quick Turnaround

We are back in the states briefly, we will share at a few churches and their missions conferences in September, and then Seth will go back to Vanuatu to continue teaching and discipling the Tiale people. He will come back in November to share more at new churches.

We try to post short videos weekly, so please follow us, like us, and please go to one of our social media accounts to enjoy our videos! They are FOR you, in order that you may feel connected.

We appreciate your prayers! Your feet to the Tiale people & the country of Vanuatu,
