Back in the Tiale-land

Seth is back in Tiale land for the next two months by himself. Please pray for his safety as the rainy season begins to come during this time, as well as giving Nicole wisdom as she disciples and cares for Selah.

Seth will have a full-plate during his time overseas. He will be very busy, daily teaching various lessons for the three different groups:

- The Bible School Students.
- The 3 pastors-in-training.
- The local Tiale leadership and pastors.

Each group is in different phases of their walk with God and in their ministry. Seth being there enables him to maximize his opportunities and meet each one's needs. The Tiale-work is one of discipleship, with next July marking our 10th year being connected to this work. We have seen God work mightily in the lives of the Tiale people! Yes, many saved and baptized, but also strong leaders growing in their faith thwarting satan and animistic chains that ruled their minds for thousands of years.

Never forget, many things that occur in Tiale land are "firsts". From preaching a full-Gospel, to discipleship, to helping the youth marry someone according to the Biblical pattern and breaking free from the shackles of their culture. God has truly been reshaping the Tiale people!

The Tiale teachers have been faithful to teach at the Bible School, and are developing into great teachers. The latest outreach of running a marriage conference went well, with many testimonies of God changing marriages to look more like a Biblical marriage! The recent youth conference had many come to the Lord, with several youth committing to come to the Bible School in 2028.

Opportunity to share... Looking for more:

A quick turnaround: Seth dropped us (Nicole and Selah) off back in USA, helped the family with a big project, actually got to see some family (very rare due to missions lifestyle), spoke at a new church, and then participated in an already supporting church's missions conference.

Seth will come back later this year, and we hope to have more opportunities to grow our support-team in the beginning of 2026. Please pray for the Lord to provide new opportunities for us to share.

We appreciate your prayers! Your feet to the Tiale people & the country of Vanuatu,
Seth, Nicole, & Selah Stokes
