Opportunities God is giving the Tiale leaders

The Tiale leaders continue to seek to minister in a 3-fold manner:

1. Share the Gospel (Course 1) to new places (Both Tiale and new language groups).
2. To revisit the areas that have believers, and give them key teachings for growth and maturity.
3. To focus on youth and children's ministries.

The Tiale people continue to seek many new avenues in order to present the full Gospel (Course 1) to new places, villages, and people groups. As of last week, God provided the Tiale leaders a captive audience, as they now have full access to share the Course teachings in a local school. They will have already taught the first 5 lessons by the end of this week. Many of the local schools are more like boarding schools, as there are many villages and even language groups that comprise the student body. This is an amazing opportunity as most of these kids do not even have a Bible believing church near their home village within a several hours hike.

Last weekend, the Tiale men were able to visit another local Tiale church, and teach through the second-phase of the marriage course. This is another attempt by the Tiale leaders to give other Tiale believers all of the tools they need so that they may be fully equipped in all aspects of their lives and faith.

Later this month, the Tiale leaders will teach the marriage course once again to another region, with this being the first time those people will have heard these truths of a Biblical marriage. It is encouraging to see that the Tiale people are passionate to get people saved, and then to have both functioning and strong Godly marriages.

Next month, the Tiale men will go share the full Gospel teaching (Course 1) to another new language group, but that will be an update for that month.

6 more chances!

Please pray that God provides us with more opportunities to share about what God is doing. We have already been blessed with many new connections! We will only be in the States for a few more months. We have about 6 more available Sundays before we head back! If you know of a church that needs to hear about the Tiale ministry and unreached people group ministries, please contact us any time!

We appreciate your prayers! Your feet to the Tiale people & the country of Vanuatu,
Seth, Nicole, & Selah Stokes
