**Happy Resurrection Day!**

The Resurrection is truly the crux of the Christian life, and as the world gathers today, and many businesses give their workers off on Friday through Sunday, and some even Monday, we are excited to see God work in and through the Tiale people.

There are many things one can do to "take off" and rest during this season. Maybe take family pictures or eat too much food, but the Tiale people (as of now), plan to head off to a neighboring village (which is both the Tiale language and a sister language) and share Course One (35 lessons; a full Gospel). Monday through Saturday, they will hike 3+ hours with their wives and disciples to begin the process of sharing the Gospel with a people group who are enslaved to animism and the witchdoctor. This region in which they are sharing the Gospel has a stronghold of many who practice sorcery, and is also littered with many cults that have held these people captive for decades.

As you watch your kids open Easter eggs, take another family photo, over indulge in decadent food, please pray for the men, their families, their disciples, and the work that the Lord will do this week in Vanuatu.

**The Heartbeat of the Tiale leadership is threefold:**

1. Share the Gospel (Course 1) to new places (both Tiale and new language groups).
2. To revisit the areas that have believers and share with them key teachings for growth and maturity.
3. To focus on youth and children's ministries.

This model is the method through which the Tiale people will be sharing the Gospel to unreached villages (and sister language groups), visiting new believers to encourage them, and then inviting the more mature believers back to the Bible school to, Lord willing, become their village's shepherd in the future.

**5 more chances!**

Please pray that God provides us with more opportunities to share about what God is doing. We have already been blessed with many new connections! We will only be in the States for a few more months. We have about 5 more available Sundays before we head back! If you know of a church that needs to hear about the Tiale ministry and unreached people group ministries, please contact us any time!

**We appreciate your prayers! Your feet to the Tiale people & the country of Vanuatu,**

Seth, Nicole, & Selah Stokes
