Bon Voyage

Heading back in less than two weeks! Time sure does pass us quickly, going from snowfall to now flowers blooming, schools here in the States are closing for the summer, but the Bible School is back open as of a few weeks ago! Seth is getting ready to teach new lessons, hitting the ground running... teaching and discipling the men on Friday nights, with the intent to introduce a new course on child-rearing. Teaching at the Bible School includes historical narratives of the whole Old Testament, and the importance of each genre in relation to God's complete story for mankind. In addition, Seth will be discipling the men who are in different phases of maturity; Pastors, leaders, Pastors-in-training, and the students. It will make months fly by and it will feel like there is not a moment of rest.

Counseling

We have a specific prayer request; there have been many events in Vanuatu that have occurred in this latest season of life, and we could use extra prayers to help navigate all of the layers of helping the hurting or confused families. This is one of the many reasons Seth pursued a counseling degree, as to be able to better assist the Tiale people in times like these... please pray for hurting families to stay strong in their faith.

Prayer

As mentioned in several places, in this newsletter, we truly covet your prayer, whether it be for the; Bible School students, the curriculum being developed, the Tiale churches, the Tiale outreaches, the Pastors, the Pastors-in-training, the new converts, these families who are hurting and need encouragement, our personal health, or even our need to grow our support team. We always covet prayer, we *implore* you, please assist us and do your part of this ministry... and **pray**.

Loose Ends

Upon returning, there are some loose ends that can be seen on several pages of our website; some needs for the Tiale people, (with one of the needs to partner in an outreach), and then as life always goes, some personal traveling costs and the price of flights to our country seem to only increase every year.

Future Opportunities

Please pray that God provides us with more opportunities to share about what God is doing in and through the Tiale ministry from October through March, as we look to grow our support team; if you know of anyone, please contact us any time! We appreciate your prayers!

Your feet to the Tiale people & the country of Vanuatu, Seth, Nicole, & Selah Stokes
