Pray for the Teaching

Back in Vanuatu! When living in the USA and talking with others about Vanuatu, the question that is always asked is, "how long does it take to get there"? It takes over 24 hours 'in' the plane, several layovers, 15 hour time change, and then a 3+ hour trek driving over mountains and through rivers. Upon arriving to our house that has been sealed for months, we must first evict all the unwanted critters. Next, we must purify our only source of water (water tanks) and check to make sure that it works, and then we pray our satellite works so we can stay connected to the world. Now, now we are back home. Ok, time to get to work!

We are excited for this trip as Seth will be teaching several new courses to the students and the Tiale leaders. These will be some of the final courses to complete the teaching framework for the Bible School in Tiale land. There are roughly 600 lessons for the students, several hundred more for the pastors in training, several hundred lessons for the local churches, all totaling well over 1,000. These lessons are then taught to the teachers again in order that they can teach them in the future. These lessons in a sense, are a legacy that will outlive us, and they will be carried to the remote parts of the world here in Vanuatu. These lessons will be the platform to reach the country, carried by the Tiale ministry team. Seth will be teaching anywhere from 11 to 20+ time for 5 weeks straight. Please pray that God uses him during this phase.

Pray for the Leaders

Please pray for the Tiale leaders; that they remain faithful to their ministries, to their families, and to their walks with God. As these men stay focused on the Lord, their ministries will thrive.

Pray for the Students

Please pray for the students; not all have returned. Even though one went to find a spouse, and another began a full time vocation, the others are there. A few students seem to have the potential of being invited into track 2, and possibly be a leader one day in their own church.

Pray for Healing

Please pray for a hurting family to stay strong in their faith; recently a Tiale leader has been spiritually attacked in 2 differing ways, but he is staying strong in his faith and serving God.

Pray for the Future

Please pray that God provides us with more opportunities to share about what God is doing in and through the Tiale ministry from October through March. Contact us any time! We appreciate your prayers!

Your feet to the Tiale people & the country of Vanuatu, Seth, Nicole, & Selah Stokes
